Speaker 1 (00:00)
Hello, we, I have it Sujay, so Sujay. Please think please think aloud about your Experience with this website. Whatever what will you do okay.

Speaker 1 (00:13)
Okay.

Speaker 2 (00:22)
So first, the icon was very smooth. I can easily click on basic icons in this so I don't have any problem regarding the like crack and also easily get on the dates. Also, they're like dates also are available.

Speaker 2 (00:43)
And yeah, so there is like there is options, also

economics and premium and the business, so I don't know any problem on this. Also, so basically, the overall, the main part was like. How like we have to difficult like regarding the tickets on very normal days?

Speaker 2 (01:00)
But it will be helpful me. I can easily purchase so when I was when I was 2. Yeah, when I choose on the tickets, so it's great easily available, so here are like tickets.

Speaker 2 (01:17)
There's like 3 economic class and this one. So yeah, but I have some problems here, like maybe for the premium economy. There is no currently available.

Speaker 2 (01:30)
Maybe they can sort of kind of these things and

also website that there is kind of icons, maybe like there is no use for this icons like the upa and the discount work.

Speaker 1 (01:40)
It's soya, I believe like those like they are not useful for a new user. They are only here.

Speaker 2 (01:47)
Or correct? We have

Speaker 1 (01:51)
Yeah, it should be. It should be after when you're paying right?

Speaker 2 (01:55)
Yeah So when I was

Speaker 1 (02:08)
See now, as you can see, there are various types

of fear.

Speaker 2 (02:12)
Yeah, but this is something different from the other like platforms. There is a basic value and classic and flex, so yeah, this is something good that I can also go through, and I can book my To get that.

Speaker 1 (02:27)
Do you think this part is unnecessary? Because you are paying for Europe, paying for basic thing, but then it is asking you to upgrade to value.

Speaker 2 (02:36)
For me, I don't think so. It's not ye.

Speaker 1 (02:39)
Okay.

Speaker 2 (02:45)
Anything else?

Speaker 1 (02:52)
So now we'll go to the section value filter details and tell me when you're filling a detail. Do you get any problem there? Or is it small small purses?

Speaker 2 (03:17)
Yeah, so there is no problem regarding when I was filling the Card?

Speaker 2 (03:34)
Where is option for the top? But I don't think so. It's Yeah, so okay.

Speaker 2 (03:45)
For the filling the information, I don't think so. There is any problem.

Speaker 1 (03:49)
If so, there's not any problem okay so like in the last page, there were plethora of information. But here it's pretty simple. That's a rural thought about this website.

Speaker 2 (03:59)
Now all my experience was like it was very like smooth smooth website website. I can easily purchase from here.

Speaker 1 (04:10)
In volcair ticket from, thank you. So now we are on the website which I made so Sujay. I would like to think a lot of her this website as well.

Speaker 1 (04:21)
Please start now the same same process okay book. Which one you like to? And then

Speaker 2 (04:30)
So, yeah, it's like something better than the last one, like there has kind of options also in the same premium fasters and business, so I'm going to purchase Maybe there has a kind of good data's needs are available. If I'm going to search on this search flights so there is easily I can get into the ticket and I can when I was when I booked the ticket, it shows the information regarding the Yeah, maybe it's like far better than the last one. It's very catchy and it's very smooth.

Speaker 2 (05:20)
Yeah, because like here is lots of icons and stocks.

Speaker 1 (05:25)
So you are saying they're not not much

information for me. Okay, pressure of information

Speaker 2 (05:31)
So here is like, also like, there is like, what we

Speaker 1 (05:36)
Okay, so the payment is included here only. So what do you think about this website compared to that that website?

Speaker 2 (05:44)
So smoothens, and it's not get that much information information

Speaker 1 (05:51)
Thank you, sir. For your
